Description:

This Last Will And Testament is designed for married persons who want to leave everything to their Spouse (Husband or Wife). But, if their Spouse dies before them, and only if their Spouse dies before them, they want all of their property to pass to one or more persons who are not their Children.

Instructions:

There are two steps in making your Last Will And Testament.

Step One: Prepare the Last Will And Testament

Fill in the blanks in the Last Will And Testament form by either printing or typing in each blank the appropriate name. For example, the Last Will And Testament starts “I, _________________,”. If you are making your own Last Will And Testament, print or type your name in the blank space. Then fill in the other blanks in the Last Will And Testament form.

Review the Last Will And Testament to see that it says what you want it to say. If you have any questions of any nature whatsoever, talk with a lawyer licensed in your state.

Step Two: Signing the Last Will And Testament

With three (3) witnesses (most states require two witnesses, but some require three witnesses) and a notary public watching you, date and sign the Last Will And Testament. Ask each witness sign the Last Will And Testament, and have a notary notarize your signature and the witnesses’ signatures.
LAST WILL AND TESTAMENT

I, ____________________________________________, being of full age and sound mind and memory, do make, publish and declare this to be my Last Will And Testament, hereby revoking and annulling any and all Last Will And Testaments or Codicils at any time heretofore made by me.

ITEM I

I direct that all my just debts, secured and unsecured, be paid as soon as reasonable after my death, provided, however, I direct that my Executor may cause any debt to be carried, renewed and refinanced for its repayment as my Executor may deem advisable taking into consideration the best interest of the beneficiaries hereunder.

ITEM II

All of the rest and residue of my property, real and personal, of every kind and description and wheresoever situate, which I may own or have the right to dispose of at the time of my death, I give, devise, and bequeath to my Spouse, whose name is _______________________________________. Should my Spouse die before me, then I give, devise and bequeath the above stated property in equal shares to _________________________________________________.

ITEM III

I direct that my Executor and beneficiaries abide by any written statement or list by me directing the disposition of tangible personal property not specifically disposed of by this Last Will And Testament. This directive is mandatory to the extent allowed by law.

ITEM IV

The word "Executor" means the same as "Administrator", "Executrix", or "Personal Representative" and refers to the person who is to administer my estate and carry out the terms of this Last Will And Testament. I hereby name, constitute and appoint as my Executor my Spouse above named and direct that my Spouse shall serve without bond. Should my Spouse die before me, then I hereby name, constitute and appoint ________________________________ as Successor or Substitute.

Executor. Whenever the word "Executor" is used in this Last Will And Testament, it shall be taken to include both the singular and the plural, the masculine, feminine and neuter gender thereof, and shall apply equally to the Executor named herein and to any successor or substitute. Any successor or substitute Executor shall possess all the rights, powers and duties, authority and responsibility conferred upon my Executor named herein.

ITEM V

If any beneficiary and I should die under such circumstances as would render it doubtful whether the beneficiary or I died first, then it shall be conclusively presumed for the purposes of this, my Last Will And Testament, that said beneficiary predeceased me.
